

*I'm  
sorry!*

**I Forgot Valentine's Day!**

I will clean the dishes.  
Meaning I'll actually clean  
them so you don't have to  
redo them in the morning.

*I'm  
sorry!*

**I Forgot Valentine's Day!**

I'll do that naughty thing you  
always wanted me to do and  
pretend to like it. Actually  
nope, I won't.

*I'm  
sorry!*

**I Forgot Valentine's Day!**

I'll watch your dumb show on  
Netflix without complaining.

*I'm  
sorry!*

**I Forgot Valentine's Day!**

I'll shower more often.

*I'm  
sorry!*

**I Forgot Valentine's Day!**

I'll cook you dinner and  
actually not burn it this time.

*I'm  
sorry!*

**I Forgot Valentine's Day!**

I'll write you a brief love poem  
on the back of a receipt while  
I'm in rush hour.

*I'm  
sorry!*

**I Forgot Valentine's Day!**

I'll do the laundry and fold it  
correctly—not just throw it  
into a pile on the floor.

*I'm  
sorry!*

**I Forgot Valentine's Day!**

I'll get you that treat you  
want even though you're  
getting a little chubby.  
Because I love you.
